EUROSPORT DHS WARRANTY

The warranty covers manufactured by EUROSPORT DHS under its own brands and OEM (the "products").

Warranty Period

EUROSPORT DHS warrants that the products, when used for normal riding purposes by a person that properly fits and is capable of riding and controlling the bicycle, are free of defects in workmanship and material:

- *for five years for steel and aluminum frames and rigid forks;*
- *for two years for carbon frames and rigid forks;*
- *for two years for parts and components that are not subject to manufacturer individual warranty or subject to normal wear and tear*

from the date of original purchase;

This warranty only applies to the original owner and is not transferable. Claims under this warranty must be made with proof of purchase before the claim may be processed.

Except as described herein, EUROSPORT DHS makes no other warranties, guaranties, or representations of any type and are hereby disclaimed.

EUROSPORT DHS bicycles use parts and components under manufacturer individual warranty. In such cases the warranty is covered and settled by the manufacturer of the specific part and not the producer of the bicycle. Please refer to the components manufacturer's web page for additional information.

Warranty Exclusions

This warranty does not cover:

- *any product which may fail due to improper assembly outside the factory, installation of components, parts, or accessories not originally intended for or compatible with the bicycle as sold;*
- *any product where repairs or maintenance has been performed by untrained person;*
- *any product which may fail due to accident, abuse, neglect, weather conditions (rust or color fading due to extended sun or humidity exposure) or non-compliance with manufacturers specifications of usage or any other circumstances in which the product has been subjected to forces or loads beyond its design;*
- *any product that has been modified, including, but not limited to any attempt to open or repair any mechanical or electronic and related components,*
- *any products where the serial number or production code has been deliberately altered, defaced or removed;*
- *any products altered by component parts or substitutions with products from other manufacturer or same manufacturer but different range than originally intended or used for rental or other commercial uses;*
- *normal wear and tear. Wear and tear parts are subject to damage as a result of normal use, failure to service according to manufacturer recommendations and/or riding or installation in conditions or applications other than recommended;*

- *Threaded parts*

General Provisions

The user assumes the risk of any personal injuries, damage to or failure of the bicycle and any other losses if EUROSPORT DHS bicycles are used in any competitive event, including bicycle racing or similar activities or training for such activities.

This warranty does not cover any personal injuries, damages to or failure of the bicycle or any other losses due to accident, improper use, neglect, misuse, abuse, wear exceeding normal limits, improper assembly and maintenance or subjected to forces and loads beyond its design.

EUROSPORTDHS brand bicycles are NOT INTENDED for wheeling, stunt riding, jumping, acrobatics, or similar activities, activities that involve motorized vehicles (such as towing of any kind after a motorized vehicle) or with motors as power driven vehicles, if not specified otherwise by the manufacturer.

It is the responsibility of the person who completes the assembly of the bicycle (mechanic or bicycle shop) to install all parts included with it in the factory sealed shipping carton and to make minor adjustments to functional parts such as brakes, steering assembly, etc. as required for proper operation.

Warranty Handling

To make a valid claim under this warranty, please return the product to a bicycle shop, preferably the dealer it was purchased from, together with the original, dated invoice or receipt.

If, having inspected the product, EUROSPORT DHS accepts that the bicycle is defective, EUROSPORT DHS (in its sole discretion) either repairs or replaces the product without charge.
This warranty covers the labor costs only for replacement of the parts that comply with this limited warranty.

EUROSPORT DHS reserves the right to revise this limited warranty without notice.
